Curriculum Vitae (CV)

What job i'm looking for? My positive points

A Candidate Attorney position. I have the added advantage of having attended the School for Legal Practice administered by The Law Society of South Africa.

It would be difficult for me to encapsulate the values I could add to a team in a single paragraph. However, it is important that I make it known that I am a young man who is driven by passion, and my passion is inextricably bound to a hunger for novel challenges. My previous work experience may be limited to volunteer work, however having also participated in extracurricular activities throughout my schooling career, I have garnered the social and professional skills necessary to work alongside colleagues in a respectful and diplomatic manner. I am also willing to relocate at my own expense.
