Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a civil engineering student and I am looking for Internship for the 2019 period to complete the qualification ND:Civil Engineering. I enjoy working In a team and I am self motivated and I perform consistently well under pressure in 9/10 situations. I believe the expertise in theoretical sector I have obtained are enough to drive any organisation forward, that may wish for my services.I am eager to learn I am eager to gain as much possible practical depth in this civil engineering industry. Hiring me to be part of your organisation will not be a loss as I do believe that the determination I have to see the practical implication in the civil engineering industry will bring about mutualistic propitiation between myself and the organisation
