Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I matriculated in 2017 at HTS Technical High School, Sasolburg in 2017. I worked part time during the school holidays at MD Furniture to gain some work experience as well. In 2018 I started with ND Technologies and completed all the training regarding the position held including all relevant duties associated with the job profile. Within a short time of 7 months from starting my career I was upgraded to a level - 2TT Technician.

I have the gained skills and character attributes in expert in teammate, working under pressure and time management.

I am currently searching for a new and challenging position in an established company for further personal and professional development.

I am independent and an adventurous person.

I am willing to take on new challenges as I am a hardworking person.

I hope that you will take my application into consideration, as I assure you that I am the suitable candidate.
