Dear Recruitment team

I have worked in Europe mainly Austria and Italy for the passed four years. I am very creative and actively looking for new inspiring information and creative ideas.

My dream job would be with one of the leading chocolate and confectionary companies in South Africa. I have returned and I am eager to settle into a training or sales position.

My skills are Project management, Training, Pastry and Chocolate arts, Private chef, Coffe shop management, Kitchen management, Fashion design and Merchandising.

I am well-rounded and would like to upskill where possible. Working towards a food science degree or diploma.

Please contact me for any further questions or information.
