

Leigh Cupido

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I have a demonstrated history since 2015 working in the staffing and recruiting industry. I am skilled in Windows, Microsoft Office, teamwork, verbal and telephonic communication, and customer satisfaction, just to mention a few. I am a strong admin and technical support professional.

Listed here, are some of my current responsibilities:

- Office management, administration, and overall office support.
- Managing a team of 7 ladies which includes one in housekeeping has helped me work on leadership skills, I try and keep my team in good spirits, the environment animosity free and making sure everyone is proactive in their duties so we can see good results at the end of the day, ultimately it's a race in the recruiting process.
- I make sure work is prioritized, data captured correctly, manage reception and welcoming clients, managing switchboard and email management.
- For the past 10 months to current, I've been exposed to basic accounting duties using Sage Accounting, capturing and creating invoices for clients and suppliers.
- Lastly, the HR duties have been split up and my part includes training, not only in my team, but spot training if I notice someone isn't using the system correctly. Introducing new starters and taking them around the office, daily register and internal recruitment for almost 2 years, which includes diary management for 5-6 managers in various departments arranging meetings and monitoring boardroom schedules.
