Curriculum Vitae (CV)

What job i'm looking for? My positive points

I started out in the mining industry in 2011 and was quickly promoted to supervisor and production supervisor in the mining industry. Working for companies under Tata Steel and Anglo American.

I also worked abroad in the United States of America for Glacial Lakes Energy LLC as a plant manager where I experienced a lot of new ways in supervisory skills to achieve production goals.

I would like to get all my qualifications and learn further to become the best in my position. I would like to work for a company where I can work hard and build a long term future,

I believe I'm a valuable attribute for a company and in the past, I have always achieved my production goals.

I'm willing to learn and spend more hours so that the company and I can benefit from in the future.
