Curriculum Vitae (CV)

What job i'm looking for? My positive points

Electerician, I am a smart working indivisual with safety as number one priority, I always lead by taking the first step in doing the job/task at hand, and coach my subordinates to practice and follow safety standard and procedure, so we all can go back home unharmed, it's a culture i builded around my team members. I also edge people to go to college so they can become artisans, as they are best at what they do, as i do planned task obsavation to indivisuals
