

Marius Van Staden

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a boilermaker, anything so long I have work. What I want is boilermaking work or a foreman/supervisor..

I am a selfdriven and motivated person, I am good at problem solving and are very good at what I do.I can do stick, mig and tig welding.Have Q.C experiance and was a boilermaker foreman and workshop superintendent. I am one of the real boilermakers around, any job from manufacture tanks to structural steel and developing I am very good. Call me up for a interview or test and you will not regret it.
