Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'd love a position where I can use my skills to make an impact that I can see with my own eyes. Of course, the position is only part of the equation. Being at a company where I can grow and work toward something I care about matters, too. My positive points are I can work under pressure,I have a very strong analytical skills.I will try to solve the problem's source not the problem. I will never hesitated to accept my failures. Through that i will never fails to learn .I am very good listener, if someone is speaking with me about something.
