Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a 21 year old female, currently in my second year of studies at the University of South Africa, doing my Bachelor of Arts in Environmental Management, completed my matric in 2015 and also doing a learnership at The Mpumalanga Regional Training trust, trading in Carpentry.

I am not a picky person, but i am strong willed and a go getter. My weakness is, i am a hard worker and a very compassionate person. I love working under pressure and i have good people skills. I can talk and listen and i am a a dedicated and disciplined team player.

Hiring me means great turnover in profit costs, as i will be an asset to the company. I am a young and vibrant female with ideas to fill the Nile River.
