

Nkosinathi Mafu

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am currently looking for an Electrical engineer job in a mining environment. I have obtained the GCC Factories and would like to acquire the necessary training in the mining environment so that i can be eligible to write examinations for the GCC(mines and works). I am industrious and independent thinker. I am analytical and problem solving person. I always put safety and the environment first. I communicate and work very efficiently in a group. With the nine years of experience as an Electrical Engineer, i believe i can have a positive contribution to your organisation. Uploaded is my CV with all the qualifications and other information you may need.
