Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm looking for an engineering job, I want to improve my skills and become a well developed worker in a new environment and challenge myself to be a better person in terms of the skills that I currently have. I am a very hard working individual who is always willing to learn and I work well with others and I believe that teamwork makes the job easier. I am always available when called upon, working shifts and overtimes
