

Shawn Naidoo

Curriculum Vitae (CV)

What job i'm looking for? My positive points

- I have managed a team of technical support specialist in the Automotive Tracking industry; this assisted me gaining extensive management experience, which enabled me to be promoted to R&D manager. My hardware and applications experience enable me to productively support the technology space.
- I am currently a training specialist at FNB. My previous experience is in the training and automotive industry. I have extensive electrical and electronics experience. I have trained in various countries and have gained extensive experience pertaining to training styles and cultures coupled with my applications and IT support experience. I can train on any subject matter and I always push to become the SME in the applicable sector.
- I have been in the electronics, mechanical, technology and Learning and development field for the better part of my career and I will use this extensive experience to be an asset to your company.
