Curriculum Vitae (CV)

## What job i'm looking for? My positive points

Im looking for a cleaning,driver or any maintenance job opportunity.

I am in the process of improving my qualifications and have passed two subjects in matric (Abet level) namely English and Afrikaans.

I'm fairly young and physically strong and I don't suffer from any major illnesses.

I'm not a smoker nor a drinker. This will be of an advantage to the department since I will be punctual and not be late as a result of indulgence in liquor and smoking.

I'm a fast learner and I'm willing to learn and subject myself to training in whichever task the department might deem it necessary to perform tasks satisfactorily.

I am a licensed driver with PrDP and will thus also be able to do small messenger and delivery duties.
