Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for General Job in the Industry as I am a Sound Engineering Graduate. I have never worked for any Company Before, I am willing to Learn in the Company I love Working Hard and invent new things in the Industry.

I make sure all the time that the team I work with Reach Higher Levels I don't work just for My self I also put The Team first or the Company because I know one day I will be raised by this Company.

I would be Happy a lot if I can get an interesting feedback Thank you.
