Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I am currently unemployed looking for a more engaging job. I love to work with people and when they get to know me we get along great. I would like to get a vacancy where I can complete my pastel and office courses that I have been putting off due to my husband's layoffs and transfers.

I am willing to start at your earliest convenience .

Please consider me you will have an employee that meets your business needs and help you reach all your goals.
