## What job i'm looking for? My positive points

To whom this may concern

I have 9years' experience in the safety health and environmental field, and have acquired considerable amount of knowledge.

I am known for my high work rate, positive attitude, and expertise in all key areas of my positions, I am a hardworking, energetic young Man with quick learning skills and believe I would be an Asset to your company now and for future growth. My previous employer's will confirm my 'do whatever it takes' attitude to getting things done. I believe the safety of all people and employees is highly important in any environment.

I would like to join your company to ensure your reputation is kept on a high note. I will ensure to maintain your company safety standards and comply with all applicable legislation. I will ensure every employee understands the responsibility to themselves and their family members that working safely is the only way they will return home in the same condition they left to go to work

I would like to thank you in advance for considering my application and I would very much like an opportunity to meet with you personally to discuss my candidacy further.
