

Nayoka Miller

Curriculum Vitae (CV)

What job i'm looking for? My positive points

My name is Nayoka Miller and I thank you for considering my resume for the position at your organization

I believe that I am suited to this position as I have the personal and professional characteristics as well as a diverse employment background that will assist me in succeeding in any industry.

I am hard working, self-motivated and meticulous about accuracy and attention to detail. I have previously worked for an extremely busy medical practice that deals with conditions and information of a sensitive nature. I understand the implications of broken confidentiality. I have completed a workshop in accurate ICD10 coding with the South African Medical Association.

My pleasant demeanor and good intrapersonal skills make it easy to work well under pressure, both on my own as well as in groups. I am friendly, rational and always up for a new challenge. I am fully computer literate and have experience on PASTEL, MED-e-Mass and all Microsoft office programs. I am proficient in typing in both English and Afrikaans. I am able to learn new tasks and programs quickly which decreases the time needed for training.

I am hoping for a favourable response from you as a potential employer as I trust that we will have a pleasant and productive working relationship.
