

Jabulani Hamilton Maseko

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for an electrician post, I am very good with faultfinding of electrical circuits, I can handle projects that is from feasibility study to execution. Job planning is my strongest point as it safe time and leave little platform for mistakes. Got experience in conveyors, ac drives, mill motors, overhead cranes, soft starters including fluid drives. I have an exposure on furnace (arc and blast). I worked with transformers and protection, I maintain diesel generators. I do maintenance on UPS and BTU. I can do cable joints and termination! I am a hard worker.
