What job i'm looking for? My positive points

Dear sir/madam

I am writing to express my interest in the administration cleck. I believe that I would be an excellent fit for this position since I am currently on my final year of obtaining my General Management Certificate at Taletso TVET College Mafikeng Campus.

I tend to view myself as a generalist hence my study field. In my years of study I have done financial management, computer skills, management practice and operations management to name a few. I have not been exposed to a working environment but I consider myself very adaptable

Because of my breadth of studies I believe I would make an excellent addition to your team

Yours truly,

Letlhogonolo Sebekedi
