What job i'm looking for? My positive points

Hi

I'm looking for driving job , general worker job even if there there is no driving job. I want to help out where ever I can, to better the company where ever I can, not to be taken for a ride. Not to hear that company not doing well, and the boss can't pay overtime, yet we be so busy. I studied health and safety, code 10 pdp, co2 welding. I Don't mind the hours, as long as long as my family is secure.... thanks...
