What job i'm looking for? My positive points

Good day i'm a christian gentleman residing in wynberg with many years experience as a driver, although i don't have experience in the Transet Sector my driving capabilities is of a high calibre and i also enjoy working with my hands, so my Cv is not really a accurate outline of my working experience because i also worked part time doing odd jobs involving labour work, i've always being a valuable asset to my previous Employers due to my high work ethics and service excellence and always going the extra mile in doing my job tasks, i'm sure that if i was giving the opportunity i could also become a valuable asset to Transnet, may God continue to Bless Your Company as You strive forward in delivering excellent results to Your Clients
