Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am interested in applying for the role of IT Technician. I worked as an IT Technician at department of health (Mankweng hospital). My experience in IT support is wide and varied including troubleshooting, installing software, replacing hardware and configuring computers.

I have also provided IT help desk support and have developed excellent interpersonal skills as result. I am particularly skilled in explaining technical issues to people with little or no IT expertise. The IT support industry is an exciting one to be in and I am dedicated to keeping up-to-date with developments to benefit my employer, users and me.

My work is considered to be of an excellent standard
