What job i'm looking for? My positive points

Im looking for a code 14 local or long distance job.... I have 6 years drive experience and currently driving a isuzu 1200 truck at osdam...

Why i want to apply for a new job is because i have to travel everyday from ceres to paarl early in the morning for such a small salary....

Im 25 years old, don't have any children, im a hard worker and a quick learner...

I dont mind doing long distance as long as my salary is between 13000 and 15000

Im straight forward and i do my job as expected from my manager.
