

Louis Smith

Curriculum Vitae (CV)

What job i'm looking for? My positive points

COVER LETTER

Louis Smith

Email: louis73.smith@gmail.com

I am willing to relocate.

I am offering my services as an experienced, task orientated employee that is proactive and mission orientated with a solid understanding of Occupational Health and Safety. I would like to gain new knowledge of the safety world.

I am confident I possess the required skills, qualifications and experience to enable me to work effectively and efficiently in this role.

I am a highly skilled and experienced health and safety professional with more than twenty years in mining and industrial environments. I would like to secure a position where I can utilise my skills and experience while contributing to a challenging and rewarding workplace.

My comprehensive curriculum vitae provide a very good overview of my experience, achievements, training qualifications and character. I am a skilled safety officer and inspector with a positive work ethic, and I know I would be an asset to your organisation in this role.

I am fully computer literate.

I bring with me the following:

- Strong leadership skills - proactive and creative
- Strong management skills - directive, action-oriented and responsive
- Excellent interpersonal skills
- Excellent time management and communication skills
- Commitment to continuous improvement in the Health and Safety field
- Drive for excellence
- Desire to be a winner

I look forward to hearing from you

Yours Sincerely,

Louis Smith
