Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a Data Capturer graduate with a Diploma which I completed in 2009. Since then I have held a job at an installation company where I worked as a Receptionist, which has helped me to understand more the work of frontline office. I am computer literate, I also enjoy learning new things and I am a fast learner. I am looking for a position that will allow me to use my experience in the administration field, I am also ready to take on increased responsibilities. I am a people's person, I like to work with people and if I could not, it would be difficult.
