

Chris Ackerman

Curriculum Vitae (CV)

What job i'm looking for? My positive points

Supervisor work, Working in recovery, or as plant opp, Im hard working and have an never quitting mindset, i work well with others, i believe working as a group as one would get things done way faster. Ive been a manager at Supabets for almost a month but had to give it up due to the safety of the area where I was placed at. Most probably the hardest thing I had to do cause of hoping and praying for such an position for the time I've been Killing myself at Petra KemJV at Kimberley. Ive been unemployed for nearly a year so would basically do anything just to get my life back.
