What job i'm looking for? My positive points

To whom it may concern I Wesley Walter Hendricks hereby, wish to apply for any vacant positions within the company. I have recently relocated from Abu Dhabi with my family. I deem myself very hardworking and I have a passion for different cultures. I have excellent communication skills and I am fluent in English and Afrikaans. I am able to work under pressure and I am willing to learn new skills. My previous job made provision for hosting special events highlighting and promoting product activations. I have arranged and hosted the Red Square Annual DJ Knockout Competition from 2014 to 2017. This annual event hosts 30.000 people of which I have to oversee, support and manage all work forces. As representative of Halewood International I would work closely with all sponsors such as Hybrid and Numark, ranging from media to ticketing and local municipality.

My recent volunteering position at Pass Academy has given me the exposure of delivering support, to all operational soccer games. I am a highly motivated individual who has always enjoyed working with adults and children. I am known to be a friendly and approachable person and I believe that this has contributed to the strong bond that I have had with both parents and children thus far. I pride myself as a pro-active worker who easily takes on any given task. I am very flexible and commit myself fully when undertaking any event.
