What job i'm looking for? My positive points

I'm looking for a cleansing job.

I'm a good and passionate guy, you won't regret having me in ur company.

My story is read as this:

I live in a family of 5 with a mother and three brothers, one is in primary school doing grade 7 and the rest of us are still seeking for job but the luck have nor come as yet.

We all looking up to our mother who work as a domestic worker, therefore it tears me to see an old lady like this working so hard to make a life to us even when I'm this much old.

I don't have any qualifications but I completed my matric on the year 2015 then the years after I was a door operater in taxes so for this year I decided to quite since there's no income.

Getting an on going is my biggest wish, I will be glad if this could be an opportunity to fulfill my wishes.
