Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a Qualified section 13 Mechanical Fitter & Turner

I was very excited to apply for your vacancies, which I have seen the advertisement that was advertised on the media. I am a well-qualified mechanical fitter and Turner who would be an excellent choice for this position.

I have an ability to grow with a job, handle responsibility and build positive relationships with colleagues, clients at all levels. My present employer is very satisfied with my work rate, and I am confident that I can bring the same level of high performance into your organization.

Beyond that I am someone who knows how to set goals and achieve, and have a proven track record of being able to conceive, develop and execute strategies. I feel certain that my strong mechanical Engineering skills coupled with ability to work will be of immediate value to your Organization.

I very much hope that you will look favorably upon my application by recognizing my enthusiasm, talent in the field of engineering and my future potential.
