

Johannes Mabuela

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am Johannes Mabuela, a qualified boilermaker red seal section 26D. In 2006 I did narrate courses and practicals at Tshwane South college (ODI) within the same year. I then got an apprentice at Tshwane Leadership & Academy from 2011-2013 which then led to obtaining my trade certificate at INDLELA Olifansfontein. Here I was top of my class to point when the other students were taken to depots for practicals left behind to train and prepare external candidates for their trade tests of which my pass rate was high.

I went as being an instructor for boilermaker & welding at A2Z artisan academy at Isando from 2016 until the same year. That's where one of my students told me about an opportunity at Mpumalanga at Manvin Gold, where we built a plant. More about these is explained in my resume.
