

Keith Adams

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm a fast learner. I have experience in things that don't relate to each other. I'm confident that good customer service is priority. I have no problem following instructions. I prefer working in a warehouse, factory or in a retail space but could be flexible enough if the money pays well. I'm young, fresh and could be a benefit to your company.
