Cecil Mkhari

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am candidate that is familiar with the responsibilities associated with the IT Technician role, and can perform it confidently.

I am certain I have the necessary skills to successfully do the job adeptly and perform above expectations.Over the 1year of IT (In-service trainee), I have developed a skill set relevant to IT role , including firewall, local area network, and operating system. Overall, I have developed problem-solving skill, service, and technical abilities in every aspect of my IT Technician at Boston City Campus and Business College.

After reviewing my resume, I hope you will agree that I am the type of competent and competitive candidate you are look for.
