Curriculum Vitae (CV)

## What job i'm looking for? My positive points

A self-starter analyst with high levels of drive, energy, resilience and a desire for professional excellence. I have experience in designing and implementing business process models using tools, methods, and techniques. I possess good analytical, problem-solving skills and the ability to articulate solutions in a business context with strong communication skills.

I am able to manage or participate in and balance the demands of multiple concurrent deployments whilst understanding technical information and translating to non-technical audiences.

I can work independently and as part of a team and am adaptable, able to prioritize and work under pressure to meet tight deadlines.
