Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm looking for any position available because I have matric.

I'm a hard working person who is able to work alone or as a team.

I can work extra hours in a day or two if you want me to do that and I can make it work.

I can communicate with people and I'm still young and energetic so I'm going to be a little bit more flexible and focused
