Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm desperately looking for a job weather it's general work, I have a national diploma in civil engineering but then I don't mind working as a general worker because I'm jobless. I'm working very hard someone who report when she have a problem , I'm also able to survey when surveying is done. Working as a team is one of my best intreste I've never work in a mining industry I don't want to lie.
