## What job i'm looking for? My positive points

I am looking for a job, any job as long as I can earn anything every month to support my family. Any general work it doesn't matter if it is a cleaning or something else so long I can work and provide for my family, I promise if I can get a job from here, if I get hired there will be no regrets why you hired me all I need is a job and I can work hard to prove myself that I am the right man for any job I was to be given. Thank you!
