Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm a hardworking, dedicated people-person. I love meeting new people and learning about their lives and their backgrounds. I can almost always find common ground with strangers, and I like making people feel comfortable in my presence. I find this skill is especially helpful when kicking off projects in my free time in front of the computer. I am currently unemployed and still seeking to find a job that will enhance my skills even more once I have been accepted to be part of a group in a professional workplace.
