Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am confident in my abilities to produce and while I prepare for the worst, I do the work necessary to tilt the odds that the best will happen. Also I am modest but hard working and I consistently set firm goals for myself. Then, once I've defined the benchmarks, I take the necessary steps to achieve those milestones I am someone who is consistently growing himself and who takes the time to continue learning, also I'm not an individual who needs to be micro-managed. Rather, given a specific task, I can figure out the best ways to solve the problem in autonomous manner.
