What job i'm looking for? My positive points

I am looking for an office job, where reports are run and action plans or systems are set up to assist processes in the organisation to run smoother or assist in fixing contreventions or short comings.

Icurrently a quality administrator, doing administration of the ISO 9001, IATF 16949 quality systems but have in the past been controller and administrator of ISO 14001.

I have a mind which sees linkages between different aspects of documents and processes.

I am quite handy with Word, Excel and Powerpoint.
I also have knowledge of Access, ERP system and BitTender.
