Curriculum Vitae (CV)

What job i'm looking for? My positive points

I do not stand fools gladly, I abide by the single principle that there is only one way to do a job/ task and that is the right way. Any other way will cost lives and cause damage to the company property/ name I am working for.

I am fiercely determined, prepared to do what is necessary to ensure the success of my company and will continually strive for improvement in all aspects of of the job at hand.
