What job i'm looking for? My positive points

I am looking for administrative job, I've been in this field for 4 years before working for Woolworths...

My strong points for admin are typing, attention to detail, team player although I like working alone some other days, and punctuality is my my strongest positive point, because without punctuality the work doesn't progress to the level of success.

If you choose me as your employee I'll be bringing in lots of achievements and joy to your company...
