Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I am currently studying Public Relations with the University of South Africa. I am passionate about this course because it is based on the current affairs happening around us both nationally and internationally. I am a goal-driven young woman who never gives up until I achieve what I aimed for. It is easy for me to adapt to change and deal with challenges faced on a daily basis.

What I am looking for right now, is a job related to Public Relations because it will help enlighten me about the industry.

I am a model and a brand activator, dealing with different people daily can be challenging, as a patient person I manage to engage and meet the client's satisfaction.
