## What job i'm looking for? My positive points

Dear Sir/madam

I'm a positive young guy and who is willing to learn. I like challenges and also working under pressure.

I worked as a blasting assistant for Newrak mining contractor at samancor western crome mine in Rustenburg for 1 year. And I proceed to work for TripleM mining contractor at Impala platinum mining in Rustenburg for 2 years as a panel operator, I was responsible for charging up of shot hole with explosives and installing of temporary and permanent support underground.

My field of study I did metaliferous mining level 3 at Westcol TVET college, Comsoc 1,2 and Risk management at skillful occupational health and safety training Institute, I also went for training at LHD skills and development training academy for a drill rig course.

I hope I will find my application successful and I hope to hear from you
