Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for a technical job where I will be either working as a plumber, training upcoming artisans or conducting inspection on projects. I need to give back to my country and the community at large that has been good to me in my career in the South African Air Force. I believe that skills transfer contributes to the economy of my beloved country, occupation training will move South African to greater height.
