

Ntombizodwa Betty Sindane

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for the job under mechanical engineer(as a fitter in maintenance).As a qualified junior artisan I am willing to get this job in order to gain much skill and made the company developed fast.even. if you want someone who can volunteer iam willing to do that cause I need to learn much more and gained experience later I can able to push the product without any senior assistant.it is going to be a pleasure to me while the company can select me to be part of the team work.
