What job i'm looking for? My positive points

Hi my name is Megan Besier. I am a qualified Foundation Phase Teacher. I have six years teaching experience. I have worked with learners with learning difficulties. I have a diploma certificate in Special Needs Education which I did through Blackford University in the UK. I am a hard worker, creative and fun.

I enjoy working with kids, however I know that I work better in a smaller environment when it comes to working with children, so whether that is one on one or four children and myself. As I really want to make a difference in their lives, and I am very passionate about helping those who need extra support.

I however am in a position now where working remotely would suit me best, therefore I am looking for online work.

Happy to do data capturing, typing, creating worksheets, tests etc.
