

Thembinkosi Mololwane

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for a position of either Financial Manager or Financial Controller. I bring with me over twelve years of accounting experience in different sectors including transportation, construction, and aviation. Eight years of which was at a senior and managerial level. My experience involves preparation of monthly management accounts, variance analysis, stock counting, payroll preparation, preparation of financial statements, forecasts and budget preparation, tax computations, cash flow projections, treasury management, management decision making, managing stakeholder relationships, strategy formulation and implementation and leading accounts department.

Currently, I am in pursuit of a new endeavor to utilize the acquired skill and competencies gained over the years. My experiences gave me a well-rounded skill set that prepared me ready to thrive in a challenging role in a company. I have completed AAT and CIMA studies and recently ACMA, CGMA. I pride myself on having obtained the necessary skills and competencies required to accomplish any accounts related task delegated or managerial position such as a Finance Manager. Additionally, I possess exceptional communication skills, attention to detail skills, interpersonal skills, conflict resolution skills, organizational skills, decision making skills and analytical skills that make it possible for me to compete effectively in the workplace and stand in the way of company's advancement. I am equally comfortable working independently to meet company goals, as well as collaboratively as part of a team.

I am confident in my abilities, and I believe that my determination and perseverance will enable me to succeed in the Financial Manager
