Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a hard worker, cooking is my passion actually I can say I was born for the kitchen because I am good with what I do. punctuality is my middle name and I am not afraid to take risk, I am always ready to learn new things. I don't wait to be told to do something and am willing to pick up my socks whenever I do wrong and do write all the time. I was born a leader not a follower but whenever I don't know something I do ask so that I can do better next time. Working extra shifts is always running through my veins and I work very well under pressure.x
