What job i'm looking for? My positive points

Good Day. I am looking for a job driving a truck or forklift. I have a code 10 license to drive a truck. I got my license in Jan this year but have been driving previously. I got my forklift license in 2018 and am a competent forklift driver. I am a hard worker and will be glad for any chance I can get. I can work well in a team or by myself. I currently work in stores so am able to pick and pack orders, order stock in, despatch stock out, deal with couriers, do stock counts and other standard functions in a storeroom. I would be very grateful for the opportunity to do a driving job.
